NOTE: Please freely distribute this to any ham that desires a chance to run this net.

Version: November 1, 2006, by Pink, KG6ILA, Kristen, K6WX, & Steve, KG6EVZ

Good morning! This is <<call sign & name>>, net control for this morning's 9 A.M. Talk Net. This net meets Monday through Friday mornings and is open to all interested hams. We are not affiliated with any club, do not have a set topic and especially encourage new hams to check-in and ask questions.

THIS IS A DIRECTED NET. Please pass all traffic (i.e., talk) through Net Control. Is there any emergency or priority traffic this morning? (*Listen...*). If an emergency should arise, please say "BREAK - EMERGENCY" for immediate Net Control recognition. *Announce major upcoming radio nets & events.*

We start the Talk Net with **Early check-ins**. These are people that ONLY want a quick check-in and do not plan to be here for discussion and succeeding rounds during the Regular part of the net. As a courtesy and for FCC compliance, please begin and end each transmission with your call sign. Keep in mind that this repeater incorporates a 90-second time-out timer. This is <<call sign & name>>, net control for this morning's 9 A.M. Talk Net, who would like an **Early Check-in?** *Write call signs down and information to share in the Summary. About 9:55 A.M., start to end the Early Check-in phase and move to the Regular part of the net.*

This is <<call sign & name>>, net control for this morning's 9 A.M. Talk Net. We now begin the **Regular** part of the 9 A.M. Talk Net by calling the **Regular Roll-call** for a **Check-in Round**, then invite anyone else listening to join. Everyone who checks in from this point on, unless they state otherwise, will be called again in chronological order for succeeding rounds. As a courtesy and for FCC compliance, please begin & end each transmission with your call sign. First on the **Regular Roll-call** is...

K6MA	Stan
KR6DD	Andy
KM6WP	Mr. Mike
KB6HZM	Pat
KG6ILA	Pink
WA2CFN	Bob
K6WX	Kristen
KG6RLG	Ron
KG6KKP	Ed
N6FFC	Bill
KI6DAR	Doña
KE6PFF	Dave

Ask for any additional **Regular** check-ins.

Call every one who checked-in (except Earlies) in chronological order for **Round One**.

Ask for additional check-ins then start **Round Two** (if time permits).

Ask for final comments, or questions.

Give a brief **Summary** of today's net.

Special thanks to the owners and operators of the N6NFI repeater for allowing us to use it for this net, and to the listeners who participated. We meet Monday through Friday at 9 A.M. and further information may be obtained from our web site at 9amtalk.net. We also have an e-list you may sign-up for. Wishing everyone a good day (and weekend if Friday), this is <<call sign & name>>, closing the 9AM Talk Net at <<hh:mm A.M.>> Pacific Daylight Time and returning the frequency to general-purpose use.
